I let Christine know and she is following up with Ottawa. I also let the Mayor know and he is the one that confirmed he spoke with her today and confirmed they have nothing to offer.

Chief Mizuno,

Thank you for reaching out. We appreciate all you are doing. I know we share the same goal: to restore free movement across the Ambassador Bridge as soon as possible. At this time, we don't have any state resources that we are able to make available, but we would be happy to put you in touch with private contractors who provide towing services in SE Michigan, if you think that would be of assistance. If you prefer to discuss by phone, you can reach me at REDACTED Again, thanks for all you're doing at this challenging moment.

JoAnne

Hello Chief of Staff Huls,

I wanted to reach out and extend my thanks to Governor Whitmer for the offer to provide assistance in the form of tow trucks or heavy machinery to resolve the situation at the Ambassador Bridge. Our operations teams are aware of the available resources, which will be considered in our planning. Should any resources be required, we will be reaching out to you for assistance. Once again, thank you for the support during this challenging time.

Sincerely,

Pam
